News Release:

Come dancing for Education at UNE

Date 29/8/03 No 138/03

As part of its celebration of 75 years of teacher education in Armidale, the University of New England is organising a Spring Ball and devoting all proceeds to scholarships for its Education students.

The ball, on October 25, will be reminiscent of the popular May Balls held at UNE, which extended dining and dancing over several venues. It will involve Lazenby Hall and the UNE Union Function Centre, with pre-dinner drinks and snacks in the UNE Union courtyard and after-dinner coffee in Dr Rob's lounge.

To help UNE ensure that all funds raised will be available for scholarships, several local and national businesses have already offered financial support. These sponsors include The Armidale Express, Petals Network, Konica, Armidale Telstra Shop, and Sunshine Express airline.

Ms Jennifer Miller, UNE's Alumni Relations Officer and a member of the organising committee, said the Spring Ball would be "a chance for people to enjoy themselves and help others at the same time".

"It will be a celebration of both UNE's history in teacher education and the potential of its current students," she said.

"We're hoping that more than 500 people will attend the ball," she continued, "including local residents, business people, school teachers from throughout the region, UNE graduates and current students, and UNE Council and staff members."
